

**S.W.O.F.C.A.
Doc Collins Award
Nomination Form**

To: 2010-11 S.W.O.F.C.A. Members

Please take a moment to nominate someone for the 2011 Doc Collins Award. The award is to pay tribute to someone who has contributed beyond the sidelines. The candidate does not have to be a S.W.O.F.C.A. member, but may include current members.

Examples of award winners in the past have included volunteers who helped out with equipment, boosters, medical attention, etc... We all know that successful programs can't succeed without individuals that contribute outside the coaching ranks. Past winners include Frank "Butch" Niesen from Roger Bacon. Mark Taylor of CHCA, Jon Sheehan of Mt. Healthy, and Zak Taylor of Glen Este.

Nominations will be taken until February. Please contact myself in regards to potential nominees. A vote will be held in May for the award. You may either email, phone or return the below information at future S.W.O.F.C.A. meetings.

Thanks,

Jeff Neal
