

**S.W.O.F.C.A.  
Doc Collins Award  
Nomination Form**

**To: 2006-07 S.W.O.F.C.A. Members**

**Please take a moment to nominate someone for the 2007 Doc Collins Award. The award is to pay tribute to someone who has contributed beyond the sidelines. The candidate does not have to be a S.W.O.F.C.A. member, but may include current members.**

**Examples of award winners in the past have included volunteers who helped out with equipment, boosters, medical attention, etc... We all know that successful programs can't succeed without individuals that contribute outside the coaching ranks. Last year's winner was Frank "Butch" Niesen from Roger Bacon.**

**Nominations will be taken until February. Please contact myself in regards to potential nominees. A vote will be held in May for the award. You may either email, snail mail, phone or return the below information at future S.W.O.F.C.A. meetings.**

**Thanks,
